

Church News — September 13, 2020

Our Sunday worship service arrangements are shifting a bit beginning September 13:

- WORSHIP SERVICES AT 9 A.M. AND 11 A.M., both in the sanctuary. The sanctuary will be sanitized between services.
- We can have up to 50 people in the building at one time. The songs will be the same in both services, and the lesson in both services will come from the same Bible texts. **If you are able to come to worship, please contact Shirley Sentel and let her know which service you plan to attend.** This will help us keep from going beyond the 50-person limit at either service.
- For those who cannot yet attend, we will livestream both worship services on Zoom. You will not be able to speak to others on Zoom once the service begins, and you may not be able to see the congregation. But you will be able to see the leader/speaker and the PowerPoint screen behind him. Contact Kevin Jensen for login information.
