Luke 20:1-8 — Jewish Leaders Challenge Jesus' Authority

20:1 — Jesus was teaching the people in the _____, proclaiming the _____ news.

questions, questions... — Three times in Luke 20, Jesus answers a question different from the one he was asked. Throughout the Gospels, Jesus consistently answers not the question he was actually asked, but the question he thinks *should have been asked*.

- What question do the Jewish leaders ask him here?

- In return, Jesus asks where John's baptism came from. But another question is implied beneath this one. What question do you think Jesus is *really* asking here?

20:5-7 — Why do you think the Jewish leaders refused to give Jesus a definite answer?

20:8 — Given their answer to his question, why do you think Jesus refused to answer their question?

Luke 20:9-19 — The Parable of the Tenants

20:9-15 — List the crimes committed by the tenants in this story:

20:9-16 — Whom does the owner of the vineyard represent? _____

- Whom do the servants represent? _____
- Whom does the owner's son represent? _____
- Whom do the tenants represent? _____
- *What story do you think Jesus is trying to tell through this parable?*

20:16 — When Jesus says, "He will come and _____ those tenants and give the vineyard to _____," the people cry out, " _____!" Why do you think they react so strongly to this conclusion to the story?

20:17 — Jesus quotes Psalm 118:22, “The stone the builders rejected has become the _____.” To whom does Jesus think this “stone” refers? _____

- 20:18 — What will happen to the person who comes into conflict with this “stone”?

20:19 — The teachers of the law and the chief priests looked for a way to _____ Jesus immediately. Why?

Luke 20:20-26 — Question about Paying Taxes

20:22 — After some flattery, what question did the spies ask Jesus?

20:25 — What answer did Jesus give?

20:22-25 — Again, Jesus did not actually answer the question he was asked. What question do you think Jesus actually answered?

Luke 20:27-40 — Question about Marriage in Heaven

20:33 — After setting up this hypothetical situation, what question did the Sadducees ask Jesus?

20:34-36 — What was Jesus’ answer?

20:37-38 — Compare verse 27 with verses 37-38. What question was Jesus *really* answering?

Luke 20:41-44 — Jesus Asks a Question

20:44 — What is Jesus’ question for the Jewish leaders here?

- How does the passage Jesus quotes from Psalms (110:1) complicate the answer to this question?
- What does the answer to this question have to do with Jesus’ identity? (*His identity is the primary issue in his problems with the Jewish leaders in this section of Luke, and throughout Luke-Acts...and for many people today.*)

Luke 20:45-47 — Jesus Warns His Disciples about the Jewish Leaders
